Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$3,000 /single or \$6,000 /family for Blue Preferred Providers . \$5,000 /single or \$10,000 /family for Blue Access Providers . \$6,000 /single or \$12,000 /family for Out-of- Network Providers .	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	Yes. Preventive care , Primary Care visit, and Specialist visit for Blue Preferred Providers . What is not included in the out-of-pocket limit ?	Non- Network Transplant Services, Premiums , Balance-Billing charges, and Health Care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
